

Exotic Refreshment are proud to present Deep Dark Melodic kits by Mass Digital (Toolroom, Cr2 Records, Upon You Records, BluFin, Phonetic Recordings).

Collection features 10 Song Starters in deep house / dark melodic style.

Each idea provides all of the elements needed to create a full production.

Every kit is in separate folder and includes loops of Drums, Basslines, Synths, Melodies, Vocals, FXs etc, but also One Shots and MIDI files.

Some of the loops like Basslines, Vocals etc are in wet and dry versions for your full control over the track!
