

Code Sounds is proud to present Massive X Dark Ambient, submerge deep into the dark abyss and endless void with an arsenal of meticulously crafted presets for Native Instruments powerhouse synth Massive X. A highly focused preset bank that explores Dark Ambient, Cinematic, Experimental Music and Game Soundtracks with cutting edge sound design that delivers Chilling Atmospheres, Evolving Haunting Pads, Deep Bass and Dark Synth Leads!

Massive X Dark Ambient includes 70 Presets covering the essentials Atmos, Pads, Bass and Synth and an additional 31 Atmos, Pad, Bass and Synth Bonus WAV Loops from the Audio Demo and a selection of the latest Abstract Beat Loops full of character and dirt for your instant inspiration! This pack contains Key & Tempo Labeled Loops, all Royalty Free!

PLEASE NOTE: There are no Arpeggiator Presets included, however, any standard third-party Arpeggiator plugin can be used to create the same basic patterns.
