

In collaboration with Max Braiman, we're proud to present the Max Braiman Spire Essentials Bundle.

This bundle features volumes 1, 2, 3, 4 of the highly popular Max Braiman Spire Essentials series. Each volume contains over 128 presets each, covering a range of different electronic music genres. In this bundle you'll find dreamy plucks, big leads, airy pads, and hard-edged bass sounds that we're confident will work in any production.

All volumes are influenced and inspired by top dance music producers, featuring remakes from Above & Beyond, Max Braiman, Daniel Kandi, Temple One, Andrew Rayel, Mark Sixma, Ilan Bluestone, Omnia, and many others.

Max Braiman is well known for producing the finest quality uplifting and progressive trance. With a string of successful releases on popular labels such as Enhanced Recordings, Armada Recordings, and Always Alive Recordings, he's quickly become a firm favorite in DJ playlists around the world.

If you're looking for a solid collection of Spire presets, then this bundle is ideal.

What's Included?

The Max Braiman Spire Essentials Bundle is comprised of volumes 1, 2, and 3 of the popular Max Braiman Spire Essentials series. While each volume is similar in terms of style and sound, all the presets are completely unique and differ characteristically from each other.

Also included with each volume are the MIDI files and FL Studio project files used for the demonstration clips. These can be used as inspiration for your own compositions, or simply as a way to test-drive your new presets.
