Description

In these turbulent times, we more than ever need a state of **inner harmony, peace and confidence** in our Path. Music helps us to reach these states of mind and move forward, no matter what. **DUNE 3** synthesizer is an excellent tool for creating music that will have a positive effect on the listener.

LFO Store's leading sound designer, *Otto K. Schwarz*, prepared an amazing soundset with **advanced modulation techniques** and **live recorded samples**. Here you will find the unique *multi-layered* presets, including bright, warm, delicious and nature-flavoured **pads**, original **bells**, fantasy **plucks**, flowing **arpeggios**, inspiring **strings** and **woodwinds**, and even much more!

Each preset has **modulation wheel** assigned (and most **expression-** and **velocity-**assigned as well) and allows you to *modulate and customize the sounds deeply*, to the needs of your own musical works. These sounds are suitable *for both studio work and live performances*, and may be used in the *different styles of music* - ambient, new age, cinematic, electronic dance music and so on.

Prepare yourself for the **deep meditative musical experience** that will give you many *new discoveries and insights!*

Specification

In this pack you will find **50 ready-to-use presets**: 7 ARPs, 6 Bells, 2 Drones, 15 Pads, 11 Plucks, 2 Pianos, 3 Strings, 2 Synths and 2 Woodwinds.

“Meditation” soundset presets are *royalty-free*.

Installation

Copy “Meditation” folder into DUNE3 “**Soundbanks**” folder. In most cases, this folder is located at the following path: `\Documents\Synapse Audio\DUNE 3`.

Please take into account, that DUNE **v3.4.0.4** was used to create these presets. You may have several errors if using the previous VST version.

Best wishes,
LFO Store team
