

Melancholia Trap delivers 800 Mb of hard-hitting 808s, skippy hat loops, crisp snares and rolling drum loops – all dripping in that raw energy you need for next-level beats.

From dark and wavy melody kit loops, greazy electric guitar licks, weighty kick loops and FX loops to abstract and glitchy percussion loops, clap stacks and full construction kits, you can chop, flip and arrange your riddims with ease.

Melancholia Trap is also packed with inspirational melody kits, so whether you're starting from scratch or looking to flip something mad, you'll have all the building blocks to get cooking straight away. Everything is professionally mixed and processed, ready to drop straight into your DAW.

No matter if you're going for that dark and moody drill sound, a trippy trap banger or something in between, Melancholia Trap is here to get your beats shelled off proper.
