

'Melbourne Bounce Tools' is a brand new, exclusive pack by Big EDM. Inside you'll find **12 Construction Kits, 10 Offbeat Bass Samples, 10 Unique Kicks, 40+ Sylenth, Spire, Serum & Massive Presets, plus 13 Claps and Snares.** More than **270 files** including MIDI, Dry/Wet versions is included, all 100% Royalty-Free.

The Big EDM team is on the fire and trying to deliver as **huge and wild** sounds as possible. All sounds and loops are **perfectly crafted** so be ready for only top-notch sounds.

The content in this pack has been inspired by producers such as **Timmy Trumpet, TJR, Deorro, Vinnai, Redfoo, R3hab** and many others. Let these Kits inspire you or simply use the samples as-is.

Drop tracks are rendered **dry & wet** to give you maximum freedom. Everything is **100% Royalty-Free** and ready to drag and drop right into your mix.
