

The day we release Melodic Dubstep, people went so crazy and were so hyped about the madness that it brought to the melodic dubstep game. Therefore, we decide to pump the hype even more by introducing Melodic Dubstep 2.

Teamed with the same world class sound designers, we are bringing more deadly and massive wobbles to the table. It's time for a brand new Melodic Dubstep library loaded with massive melodic chords and filthy wobble basses.

Have problem writing melodic dubstep drops? No worries. We have provided 3 Construction kits for referencing or reverse-engineering to make sure that you'll produce a bad ass track after you have your hand on this pack.

What you'll get from this pack:

- 80 Drum Samples
- 15 Drum Loops
- 3 Construction Kits
- 20 Synth Shots
- 20 Melodies
- 15 FX Samples
