

We are here with another HUGE release on Big Sounds.

This is a pack that will influence all major releases in the near future, with almost 2GB of content, the prospects are mind-numbing!

Big Sounds Melodic Future Bounce

This is a pack you definitely don't want to miss!

In it you will find 5 complete kits, offering the greatest tools and source of inspiration you have been missing.

All kits include Bass loops, Melodies, Chords, Leads, FX and Instruments, including pianos, strings and tambourines, and of course all Drum loops, claps and hi-hats.

With each kit you get the wav files, midis and vst presets (Serum, Sylenth, Massive and Spire) used to create our distinctive sounds!

What's more, we have included with each kit, the one-shot samples for all the percussions and synth instruments.

Everything you get is Royalty Free!

Buy once and use in any of your projects in as many combinations as you want.

Compatible with all DAWs and usable in more projects and genres than you can imagine.
