

Introducing Melodic Techno Vol.2 by HighLife Samples, a sample pack for techno music producers and beyond.

This royalty-free sample pack is designed to elevate your music production game, providing you with all the tools you need to create top-notch techno tracks. Whether you're a pro producer or just starting out, this sample pack is the perfect way to take your techno music to the next level.

The sample pack includes 5 construction kits, each of which includes WAV loops of drums, bass, synths, and FX. The construction kits are carefully crafted and come loaded with all the elements you need to get started on your next track. This sample pack has everything from driving beats to pulsing basslines and soaring synths to mind-bending FX.

In addition to the WAV loops, the sample pack includes MIDI files for all the melodic instruments. This is a huge plus for producers who like to work with MIDI files.

With MIDI files, you can easily change the notes, timings, and even the instruments used to create entirely new sounds that are uniquely your own.

The sounds in Melodic Techno Vol.2 are designed to be both inspirational and versatile. Whether you're creating techno tracks for the club, for DJ sets, or for your own personal enjoyment, this sample pack has everything you need to get the job done.

What's more, everything you get is Royalty Free! Buy once and use it in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres such as Techno, Melodic House, and more.
