

Unleash your creative talent with Melodic Techno Vol.3, a collection of sounds designed for music producers who want to explore new boundaries. This pack is filled with ideas and originality, giving you the power to create a memorable impact in melodic techno music.

The pack comprises five expertly crafted construction kits, each folder with selected WAV loops. Every element has been carefully curated, from thumping drums to basslines, ethereal vocals to captivating FX, stunning synths, and enchanting MIDI files to ensure seamless integration and unparalleled sonic excellence.

In addition to the construction kits, Melodic Techno Vol.3 also offers a variety of drum hits, allowing you to create rhythmically intricate compositions with skill and flair. Moreover, the pack includes Serum presets, which can take your sounds to the next level, giving you unparalleled control and flexibility over your music.

Please note: For Synth presets, you will need Serum 1.357 or higher.

What's more, everything you get is Royalty Free! Buy once and use any of your projects in as many combinations as possible. Compatible with all DAWs and suitable for genres such as Melodic Techno, Melodic House, EDM, Progressive House, and more.
