

Hypnotic melodics, crackling backgrounds, booming low-end loops, driving tech beats and more – ‘Melodic & Dark Tech Progressions’ delivers 500 Mb+ of expertly designed sounds for melancholic late-night or pounding Techno productions.

Loaded with crackling and atmospheric background loops, bass loops, stripped pumping beats, modular synth melodics, percussion & top loops, FX and drum hits.

Recorded in pristine 24-bit WAV and Rex2 formats, this collection is ready to be loaded into any DAW or sampler.

Tastefully crafted tech-grooves at your fingertips!
