

Explosive underground beats, industrial vibes & analogue melodics – Melodic & Dark Techno 2 is here!

Packed with 630 Mb of analogue bass loops, dark & moody textures, stripped beats, pounding kick drums, tech-twisted percussion & top loops, modular synths, pulsating melodics & FX loops!

Collection also offers a massive stack of single drum hits including kicks, claps, snares, percussion & synth shot sounds!

Expertly crafted by Dominik Salteviski (Autektone, Reload Black) – Melodic & Dark Techno 2 is the definitive collection for any modern techno producer.

Melodic & Dark Techno 2 delivers the essential track building tools which are ready to be loaded into any DAW or sampler.
