

'Mesmerizing Tech House Vol 2' was produced by Andrew Benson and continues this series of hypnotic Tech House samples. This pack contains six Royalty-Free Construction Kits which include WAV stems and MIDI files to them.

All loops are tempo synced and key labelled with dark atmospheres, dopey melodies and viscous basses. If you are looking for a top quality material inspired and influenced by artists like Camelphat, Dennis Cruz, Claptone, Bontan, Olivier Giacomotto, Nicole Moudaber, Sasha, Booka Shade, and more, then grab this sample pack from Laniakea Sounds for your studio arsenal now.
