

We bring you Big Room style template, called Midnight. A template ready to boost the speakers in those heavy EDM clubs. Bringing you the high pitch leads, outstanding punchy snares and claps, dreamy pluck melodies, some bonus exclusive content and much more...

Midnight gives you the essential banging stereo drop that will suit any Big Room & Progressive producer, and especially if you want to be heard by DJs in the same genre. The template is the ultimate resource to stand out from the rest!

The template is for those who seek to produce the sounds of Ibiza during the sunset and dark club sets. With the influence of artists like Hardwell, Kevu, Olly James, W&W, Steve Aoki, KSHMR, Carnage and more!

The template includes folders with all the MIDI, Spire and Sylenth1 presets used in process of this track, plus one-shot drums and synths, and FX loops. Plus, we wanted to give you some extra bonus ready key-labelled drum loops.
