

Our mind is an endless source of creative manifestations. In this new soundbank for the top-rated SPIRE synthesizer, you will find the feelings of nature, the thoughts of space, the memories of the future and the echoes of the past.

The well-known sound designer Otto K. Schwarz opens up new landscapes of the mind embodied in sound, so that you can enjoy these modulating presets, each of which is capable of varying several parameters using modulation knobs.

Whether you're creating ambient, EDM, soundtracks or experimental music, this collection of sounds will always be at your service!
