

Freak Music is proud to present "**Minimal Ambient**" - collection of 10 construction kits for pure ambient music productions, but usable in more projects you can imagine. With a perfect combination of melodies, drums and atmospheric textures you will be able to find original sounds with a plenty of chilling tones. This unique sound collection will bring new music ideas to every producer. These melodies come with MIDI analogues, so you can freely change the tempo, velocity and key along with presets included. Add some emotional vibes to your beats!

All of these sounds are **Royalty-Free**, so once purchased, you can use them in your commercial releases without having to pay any hidden costs.

Please Note: To access synthesizer presets, you need an up to date Reveal Sound's Spire.
