

We're proudly present Afro House Collection by MoBlack Records!

Packed with 680Mb+ of prime selection sounds this collection features deep, warm & analogue bass loops, background noise & atmospheres, epic drums & beats, tribal-infused percussion & top loops, ethno grooves, unique vocals, FX and massive stack of single drum hits.

Produced by MoBlack Records head-honcho Mimmo Falcone (MoBlack) – Afro House Collection is a definitive collection for Afro, Deep, Tech and Organic House productions.

MoBlack Records has been established in 2013 and quickly gain international reputation as the leader of Afro House scene – described as the “dominant imprint of Afro House” by DMC World Magazine.

Explore this unique, ethnic & forward-thinking collection of sounds now!
