

Modern Pop Vocal Chops 3

Product with one of the most popular instruments last months, used in almost all modern genres, but mostly in modern pop - vocal chops! We are giving away the last, third part of our trilogy called Modern Pop Vocal Chops. You will find here 50 melodic loops with vocal chops that are ready to be used in your production, compositions and songs. To help you in your process of creation, every vocal chop has its own midi file with chords that fit the vocals. Everything in the modern pop genre, but also great to use with all modern music styles! We are sure that you will love it!

PLEASE NOTE: Drum loops and other instrument than Vocals are NOT INCLUDED in this pack and they are used in the MP3 Demo for demo purposes only! This pack contains only vocal loops and midi files.
