

Modern Techno is a powerful bank of forward-thinking audio and MIDI sounds, plus Spire Presets primed to drive your next production to the dance floor. Rattle the foundations with 200 juicy Audio Samples and 42 ear-opening Spire Presets. You'll find vivid 24-Bit WAV audio files and versatile MIDI.

Multi-purpose loops and One-Shots give you extensive control and ease in, jump-starting your tracks. Modern presets come alive through the brilliant technology of the popular Spire soft synth. Use these sounds for Tech House and Berlin stylings, and to energize any Techno production.

" is beamed from the studios of TD_Audio, the powerhouse team of Twisted Reaction (Function Label Group) and Lenny Dee (Industrial Strength), two tenacious names in modern sound design. Combining cutting-edge gear with meticulous engineering and production, they create upfront packs at the frontline of Dance music.

These pro samples and presets are made to shine on track after track. Grab this pack and launch the latest sounds of Techno into a frenzy.
