

Welcome to the world of Monstrous Bass House with hard-hitting Reveal Sound Spire Presets and exclusive tips from the producer.

Adrenaline enthusiasts will enjoy the relentless pounding and gouging of the overdriven synth sounds.

Think you can handle the caffeinated rush of heart-pounding exhilaration and thick bass heavy resonance?

A preset pack with leads dripping in melodic harmony with sounds of beautifully clear plucks ascend and descend.

Sub and crunchy bass for you to compose an infinite number of Bass House bangers.

Here at The Audio Bar HQ our producers are affluent in the EDM scene and are at the forefront of creation. This ensures you that there are no regurgitated sounds of yesterday.

We stay one step ahead of the game and offer these presets to you so that you can master your craft and get the results you want.
