

Following the huge success of Morning Trance, we are back with another Bank of Presets for the VST Synthesizer Dune 3, by Synapse Audio. This time, you will find 64 presets, carefully designed by Yahel Chabs at CineTrance studio. These presets are suitable for any Trance genre.

Revisiting the sound of your favorite Trance Classics with some perfect Sequences, beautiful distorted Pads and melodic Plucks, this soundset is designed to give you an instant inspiration.

Bring the best music experience at your fingertips right now, with Morning Trance Vol.2!
