

Myon Spire Soundset Vol. 1 is filled with 300 signature presets for Trance, Progressive and Dance.

Over the past two years, we teamed up to capture the legacy and craft the future Myon signature sound to give you an inspiring and proven collection of sounds that will help improve your productions.

Split into 5 categories including: Arps, Bass, Leads, Pads, and Plucks. Among each preset having modwheels assigned, all four macros are programmed to give you more creative possibilities shaping and modulating your sound just how you want it!

Globally acclaimed for his ability to generate connectedness and energy with his approach to music, each preset has been designed and tested to ensure its impact in your music!

With these presets already been used in Myon's latest tracks, including his remixes for Joda 'Breaking Down Walls', Armin & Ne-Yo's 'Unlove You', the upcoming 'Tales From Another World', and more – you'll have the signature sounds and new secret weapons to take your music to the next level!
