

Touch The Universe is proud to present "Mystical Universe Vol.2" for Reveal Sounds Spire synth, our fifth venture into Spire. The soundset contains 128 brand spanking new presets utilizing the new features of the latest spire synth, especially including the gorgeous new reverb additional. The sparkle reverb just sounds gorgeous!

The soundset fuses some of the best sounds trending in many different contemporary electronic dance music and ambient genres, including hybrid cinematic and electronic music with a special touch of more exotic types of dance genres. In addition to providing truly unique and out-of-the-ordinary sounds not typically found in mainstream music or soundsets. The soundset includes many gorgeous pads, flowing atmospheres and breathtaking soundscapes which can be used as backdrops for any genres of cinematic music, soundtracks, or game and film music. Included are also many contemporary basses, exotic leads, hard hitting, punchy basses, plucks, and sequences.

Potential Genres: Cinematic, Hybrid Cinematic, Soundtrack, Game Music, Progressive Trance, Psy/Goa, Ambient, Chillout, Psybient, Uplifting, EDM.
