

This is a House style template, called Naan Man. A template that is ready to bring you some dope club vibes. With a lot a percussion layers within the track, perfect sidechained bass, smooth vocals chops and much more...

Naan Man is an essential template for any House music producer and if you are looking to get your tunes played by the biggest DJ's on this white island, London, and worldwide then this is the ultimate resource for you!

The template is highly influenced by A-level artists like Flashmob, Riva Starr, Vintage Culture, Ferreck Dawn, Maya Jane Coles, Low Steppa and more!

The template includes folders with all the bounced WAV channels used in process of this track, plus one-shot drums and vocals, and FX loops.
