

Here is our latest sample pack for you to download - Neon Flashback.

Step into a realm of pure nostalgic euphoria with our latest Neon Flashback sample pack.

Featuring 10 meticulously crafted construction kits, each one is a sonic journey that encapsulates the essence of neon-soaked streets, VHS vibes and futuristic nostalgia. Neon Flashback delivers a treasure trove of synth melodies, dynamic drum loops, pulsating basslines, dreamy keys all designed to capture the heart and soul of the Synthwave genre.

Each kit is packed to the brim with sounds that'll make you feel like you're cruising down the motorway in a DeLorean with the wind in your hair.

But hold on, we're not done yet – we've thrown in those nifty MIDI files to help you whip up tunes that are as catchy as a pop tune you can't get out of your head.

Whether you're a seasoned pro or just starting out, it's as easy as pie to mix and match until you're spitting out soundtracks that are as brilliant as a sunset over Santa Monica's beach.

Don't miss out on the opportunity to add a touch of neon magic to your production and let your creativity soar!

Each construction kit offers full mixes and all components broken out into constituent parts for maximum programming ease, including MIDI files.

Served with WAV, MIDI & Rex2 formats – this collection is ready for instant drag & drop action into any DAW or sampler.
