

'Non Stop Pop' by 2Deep is packed with Poptastic material for you to experiment with, and start working on your next Future Bass track. This kit includes loops, vocals, MIDI files, one-shots and all the Spire, Sylenth1, and Serum Presets used to create the instrumentals.

With plenty of modern effects, catchy vocals and a plethora of drum samples, you're bound to find something special to enhance your tracks or to inspire you, whether you are an established producer or just learning the ropes. All loops and samples in this library are licensed to you Royalty-Free so you can use them in your commercial compositions at no extra cost.
