

Are you a producer that likes to explore new and exciting genres?  
Do you feel that the current market doesn't cater to your specific production needs? Do you want the freshest sounds around?

Look no further than Big Sounds Nu Electro Disco, a sample pack like nothing you've heard before! This is a sample pack you definitely don't want to miss!

In it you will find 5 complete stem kits, offering the greatest tools and source of inspiration you have been missing. All kits include Bass loops, Chords, Percussions, Arps, FX and vocal chops, and of course all Drum loops, snares, hihats and shakers.

All kits are clearly labelled with key and bpm and all sounds are ready to drop into your next project. Also, with each kit you get the high quality audio wav files, the midis and the vst presets (Serum) used to create our distinctive sounds!

For the preset's you will need Serum v1.214 or above.

Everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and usable in more projects and genres than you can imagine.
