

Dress to impress and mix for success.

Get ready for the modern day disco with the Big EDM Nu Disco Sample Pack.

With over 600 of the most revolutionary, inventive sounds of dance floor disco fever your mix will have the movers shaking and the shakers moving.

Disco music has had a huge influence on electronic dance music. With Nu Disco you can explore the origin of a classic genre while applying the technology of today.

It's important to stay current with the trends and being diverse allows you to always have something to offer. Stay in the know with the included construction kits and presets that show you exactly how the puzzle pieces of the perfect nu disco song fall into place.

This pack has reverberated vocals, crispy chicken scratch guitar riffs, and plenty

“four on the floor” beats. With an amazing amount of percussive one hits you can create your own uniquely syncopated rhythmic signature. Double up on the melody for that thick wall of sound, and don't forget to apply those broken octaves to get that classic disco sound.

Crank out your fluid composition with orchestral builds and multi-instrument leads. The funk, the feel, the real groove to make their booty move. It's all packed inside Big EDM's Nu Disco Sample Pack.

Disco ball not included

The fine print: Here at W. A. Production we adhere to a strict standard of quality.

We spend time behind the board with our hands-on and our ears open accepting only the best of the best. Our producers are affluent in the EDM scene and are at the forefront of creation. We won't put our name on just anything. This ensures you that there are no regurgitated sounds of yesterday.

We want to be the leader, we want your mix to lead. We stay one step ahead of the game and offer these sounds to you so that you can pioneer the forefront of audio production.

You expect the best and so do we. Buy our packs with confidence and knowing that you'll get the latest and most innovative sounds with the utmost respect for audio production quality.
