

“Oldschool Retrowave” Is a nice sample pack with very fresh and catchy Loops, One-Shots, Drums, and Synths. Fill your track with vintage basslines & synth melodies. This pack is very powerful with a nice 80s clubby feeling and great rhythmic.

Nice for Synthwave producers and also for any other electronic genre you want to add vintage elements. Also, this pack included all MIDI files, so you can combine these melodies with your own sounds.

Let's check what is inside:

- 20 Drum Loops
- 10 Drum Fills
- 10 FX's
- 50 Music Loops (Bass, Synth, Pad)
- 50 MIDI Files
- 40 One Shots (Kicks, Snares, Hats, Perc)
- 190 Files in total

Key-Labelled/Tempo Synced WAV Files
