

Intruding the most powerful drum & bass sample pack created by Cloudy Samples. Dive into the ethereal realm of **Othea**, where hypnotic soundscapes collide with hard-hitting rhythms. This meticulously crafted sample pack delivers a perfect balance of mesmerizing atmospheres, uplifting melodies, and crisp percussion that will captivate your listeners. Unleash an array of dreamy pads, haunting synth leads, and deep, resonant basslines designed to elevate your productions. The shimmering arpeggios and celestial textures weave effortlessly into driving beats, creating tracks that pulse with energy and emotion.

This pack doesn't stop at samples and loops. We included a fully customizable Ableton Live 10 template, showcasing how to arrange and mix these sounds for maximum impact, using only Spire synthesizer. Perfect for producers seeking inspiration or a deeper understanding of chilling, modern drum & bass production techniques. We exported all the project files directly into the folders, so you don't need to own Ableton Live to arrange this outstanding track. In addition, a full-packed Spire soundbank is waiting to be used in your future gorgeous music. Whether you're producing liquid, atmospheric, or experimental drum & bass, this collection offers hundreds high-quality construction kits, loops, one-shots, MIDI files, presets and the powerful Live 10 template, ready to take your creativity to new heights.

Step into the clouds. Let the soundscapes move you. Transform your music. Othea is ready for producers who crave the extraordinary.

Please Note: To access the template, you need Ableton Live 10 or higher and Reveal Sound's Spire synthesizer.
