

Audentity Records presents: Out The Box – Lofi Hip Hop, a production tool featuring a cluster of hip hop samples ready to be chopped, pitched and dropped in your sampler or DAW.

This new sample pack contains a large collection of melancholic, jazzy and chill sounds, spanning from jazzy tape saturated chords and pianos and warm keys to authentic hip hop beats and drums.

This sample pack boasts impeccable sound design paired with a dazzling amount of included samples: 338 high-quality samples and loops in total.

As Hip Hop is the #1 genre worldwide, it is important for every hip-hop producer to obtain great useful samples: no fillers, just winners.

In detail, you can expect 837MB of content with all audio at 16Bit & 44KHZ.

The pack contains 41 Bassloops, 90 Drumloops, 25 Combo loops, 110 Melodic & Chord Loops & 17 Alternative Loops ,13 Instrumentals & 41 Drum One Shots.

100% royalty-free.
