Outstanding Deep House for Spire is the best-quality, highly usable soundset for your Deep a Tech-House production. With all this quality-made presets, inspired by top House artists, you can bring to life your own tracks. All of them are accurately normalized and precisely categorized for chose-and-go which ensures, that you spend more time for creating your sound and don't look back. This bank provide classic sounding deep basses and atmospheric plucks, clean chords and uplifting pads. The great attention was made especially on burst, deep analog and FM basses, which are sound so powerfully, that you will never need more other banks.

Listen to how that sounds in DEMO so you can appreciate all the features of this incredible soundset!

For Reveal Sound – Spire 1.1.8 and higher.
