

# «PUNCH»

## 100 KICK TOP LABELS

Do you want to know what kind of kick to choose for a particular label or just need quality beats for your production? We present you a powerful package of professionally created drum Kicks for Music Production.

We've made not just Kick shots. We have created high-quality drums considering the sound of the world's top labels such as Spinnin, Protocol, OWSLA, Hexagon, Enhanced, Defected and many others. So you can use these Kicks to produce powerful and punchy rhythm sections in your own compositions in a very short time.
