

Pads From The Charts

Ladies and gentleman! We are proud to present our new product called ' Pads From The Charts ' As you all may know, sometimes all producers and composers can't find a good harmonic base for their tracks and a good start for upcoming hit songs! We've decided to make a pack with some synthesizer pad sounds that are ready to be a great start in your creative process.

Made only on hardware, melodic and great sounding! Ideal for all kind of [pop](#), [r&b](#), hip hop and even trap tracks! All depend from your creativity. All our loops from this pack are radio ready so it is a very big chance to produce really nice hit songs.

What is inside?

You will find here 53 synthesizer pad loops in the most popular audio format – 24-bit Wav. 153 Mb material that is ready to be a part of your upcoming smash hits. All loops are closed in one .zip file that can be downloaded from our server after a little license payment.

PLEASE NOTE: Drum shots and drum loops and other instrument than synthesizer pads are NOT INCLUDED in this pack and they are used in the MP3 Demo for demo purposes only! This pack contains only synthesizer pad loops.

Royalty Free.

All our loops, samples, presets, sounds come with royalty free license. It means that when you pay a little license fee, you can use our products as a part of your commercial and non-commercial work with no additional costs! Simple and easy!
