

'Piano House Groove Melodies Vol 1' brings you 50 groovy MIDI files which are 100% Royalty-Free and ready to use for your next upcoming House productions. This MIDI pack is the ultimate tool if you are struggling with chord progressions or just in need of some catchy grooving piano chord melodies.

All melodies can also be used for genres such as Deep House, Progressive House, Tech House and many more. The benefits of MIDI files are that you can simply change any note or any chord how you like it to sound.

Don't waste your time finding the perfect chords, this product will bring you a faster and easier way to work with your chord progressions.

Essential Audio Media also added a folder where all melodies from the audio demo are included so you can find your favorite melody from the audio demo much faster.
