

'Piano House Groove Melodies Vol 5' brings you another set of 50 MIDI files which are 100% Royalty-Free and ready to use for your next upcoming House productions. This MIDI pack is the ultimate tool if you are struggling with chord progressions or just in need of some catchy memorable grooving piano chord melodies.

All melodies can also be used for other electronic genres such as Deep House, Progressive House, Pop, Tech House and many more.

Don't waste your time finding the perfect chords, this product will bring you a faster and easier way to work with your chord progressions.

Essential Audio Media has also added a folder where all the melodies from the audio demo are included so you can find your favorite melody from the audio demo much faster.
