

Freak Music is proud to present "**Piano Kit**" - a free Reveal Sound's Spire soundbank with piano presets ready to use in your commercial releases 100% Royalty-Free. Varies from soft piano noise, organ pipes, mellow licks to wide and reverbed sounds. It will be a great addition to your every production. Now you don't have to look for any extra presets or plugins. A real accompaniment is ready to add some spice to your work.

Please Note: To open this soundbank, you need Reveal Sound's Spire v1.1.16 or above.
