

'Pjanoo Groove' brings you a set of 150 MIDI files & 300 WAV Loops which are 100% Royalty-Free and ready to use for your next upcoming House productions. This pack was inspired by the sound of Defected Records & Toolroom Records. If you are struggling with chord progressions or just in need of some catchy memorable grooving piano chord melodies, this is the ultimate tool for you!

Each WAV loop comes with a wet version and a dry version, so you can add your own reverb or delay settings.

All the melodies can be used on genres such as Deep House, Progressive House, Pop, Tech House and many others.

Don't waste your time finding the perfect chords, this product will bring you a faster and easier way to work with your chord progressions.

Essential Audio Media has also added a folder where all the melodies from the audio demo are included, so you can find your favorite melody from the audio demo much faster.

Please Note: This pack only includes MIDI files & WAV Piano Loops all the other sounds you hear in the audio demo like drums & vocals are only for demo purposes.
