

Pop Masterpieces By Audentity Records is a feel good inspired samplepack, which main focus is melodic pop related tracks, infused with elements of house, brazilian bass, tropical and progressive melodie house

The pack contains plucked melodies, warm synth guitars lines, vocal chops, feel good harmonies and so much.

Filled with a dazzling amount of 315 files and divided into folders like: Songstarters, Vocal Loops, One Shots, Music Loops, Fx, Drum Loops and Bass Loops.

It's really easy to use this pack, just drop some cool elements like our Music loops in your DAW and mix them with the drumloops, basslines and fx and your are already halfway to finish your next music bomb in the studio

In detail, you can expect 700mb of content with all audio at 24Bit & 44KHZ.

Everything is royalty free (if downloaded via regular stores) and you are free to release your end result on all platforms.
