

Pop Masterpieces is back with another new edition with feel-good, melodic pop inspired samples, infused with elements of house, brazilian bass, tropical and progressive melodie house

The pack contains wam melodies, interesting synth guitars lines, vocal chops, feel good harmonies and so much more.

Filled with a dazzling amount of 196 files and divided into folders like: Songstarters, Vocal Loops, One Shots, Melodic Loops, FX, Drum Loops and Bass Loops.

Just drop some elements like our Music loops in your DAW and mix them with the drumloops, basslines and fx and your are already halfway to finish your next music bomb in the studio.

Everything is royalty free (if downloaded via regular stores) and you are free to release your new baby on all platforms.
