

'Pop Vocals & FX 3' is the newest installment of our well known vocals, hooks and vocal fx series.

The new pack delivers catchy, useful and unique vocals & hooks, emotive lyrics, vocal fx, vocal chops and phrases, vocoders and so much more.

A lot of work and passion went in this production tool and it really shows: all samples are prepared for you to fit easily in your productions without too much hassle.

The library combines genre elements like Pop, Nudisco, Afrobeats, Future & Retro Pop, Slaphouse and much more and it includes excellent hooks & vocals that complement each song in a unique way.

We also included some melodic elements which you can hear in the demo.
