Next Sound Records offers a new FL Studio Template – Power

If you are producing style Trance in FL Studio and would like to learn new tricks, get inspired and/or improve your sound faster, then this template is for you.

This template is ready to charge you with new emotions and ideas.

PRODUCT DETAILS:

The FL Studio Template as heard in the demo;

All MIDI and Audio channels with FX chains and mixing included;

All sections (basslines, leads, FX, drums) are color-coded and named correctly so you know exactly what you are looking at;

High quality, modern sounding production;

Sounds exactly like the audio demo;

100% Royalty-Free.

WHAT DO I NEED TO OPEN THIS TEMPLATE?

In order to take full advantage of the project, you will need: FL Studio 21.2.2 or higher.

VST PLUGINS:

Spire 1.5.8 ;

The rest of the plugins are the standard built-in plugins of the FL Studio. Which gives you an advantage, you don't need to buy third-party plugins. All you need to open the product is a Spire and a FL Studio.
