

12 Construction kits, Melody Loops, Presets and more than 3.5 GB of the most stunning Progressive House sounds.

That is what Big EDM has prepared for you in this fantastic product.

Big EDM has delivered another huge package.

This time we have created must-have content for all EDM and Progressive House lovers.

This release was inspired by leading labels such as Protocol, Revealed, and Spinnin.

With these labels as our inspiration, you will have sounds that you simply cannot miss.

Let's see what is inside.

12 Pumping Construction Kits with Dry / Wet variations, MIDI's and Presets.

These can be used as song starters or to boost up your inspiration.

97 cutting-edge Presets for Sylenth1 and Spire that will bring instant sharpness and an epic feel to your sound.

Together with all of this we've also included 20 Melody Loops + MIDI.

That is not all!

80 One Shot Drums, 50 One Shot Synths, and 12 Drum Loop Kits divided into 73 Drum Loops is what makes this pack even more special!
