

'Progressive House Sounds For Spire Vols 1-3 Bundle' brings you over 300 Spire VSTi presets for Progressive House. All the sounds were inspired by producers such as Dubvision, Martin Garrix, Axwell & Ingrosso, Firebeatz, Afrojack, Max Vangeli and many more! This bundle brings you everything you need from big wide leads to deep punchy basses and a lot more top-notch sounds.

All presets were made by professional sound designers who know exactly what kind of sounds a Progressive House producer needs. Each sound can be also used for other EDM genres such as Trance, Big Room House, Future House, Hardstyle, Handsup and many more.

Don't miss this Ultimate Progressive House Spire bundle and grab a copy of this EDM weapon now!
