

'Progressive House Sounds For Spire Vol 1' brings 64 presets for the Reveal Sound Spire VSTi featuring Bass Sounds, Lead Sounds & Pluck Sounds. This soundbank has been inspired by artists who are signed to the following labels: Axtone, Protocol Recordings, Revealed Sound, Armada and many more. All presets were made by professional sound designers who know exactly what kind of sounds a Progressive House producer needs.

This Spire VSTi soundbank is a must-have for everyone who is looking for big and wide leads, deep basses and a lot more top-notch sounds!

Don't miss this ultimate tool because all the sounds can be used in genres such as Big Room House, House, Deep House, Future Bounce and other Electronic sub-genres.
