

Progressive Trance Kits by HighLife Samples is a sample pack dedicated to modern progressive trance sounds.

Inside you can find 5 starter construction kits of Wav loops of drums, bass, fx, and synths. Midi files and synth presets from Spire, Serum, and Avenger VST instruments are included as well.

All files are organized in folders with BPM and key scale information for easy navigation.

What's more, everything you get is Royalty-Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs.

Please note: Please note: For synth presets you will need Serum v. 1.345 Spire v. 1.1.2 Avenger v. 1.4.10 or higher.
