

The third part of our bestseller - Progressive Vocal Chops 3! Some fresh stuff from Laniakea Sounds studio brings to you atmospheric and breathtaking vocal chops and vocal atmospheres for most popular progressive styles. We happy to introduce our new pack - Progressive Vocal Chops 3, Thanks to the hard work we have managed to create a unique product. All loops are key labelled and synced to any BPM. Note what vocal atmospheres in that pack used from our pack Vocal Atmospheres 2. Connection of vocal atmospheres and vocal chops will give you unreal results. For better understanding we include dry loops for vocal chops. Be sure, that content make your music more interesting and solid!
