

What is Life without a little Psy thrown into the mix! HighLife Samples dedicates this most recent pack to a genre that has been around for quite some time but has made its presence known ever more increasingly in the past few years - Psychedelic Trance.

Whether you are a hardcore fan or an EDM enthusiast, this pack is for you.

HighLife Samples Psychedelic Trance

This pack offers the greatest tools and source of inspiration you have been missing! You will find 5 kits ready for you to create the freshest psychedelic sounds, including all elements such as Bass Melodies, Synths, Drums and FX, all neatly separated and labelled in their own folders.

Of course, we give away all Instrumental Loops in midi form as well as wav for your own convenience and creative freedom. As a BONUS, we also provide the Spire and Sylenth presets that we use to create our sounds, as heard in our demos.

What's more, everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and usable in more projects and genres than you can imagine.
