

The first psytrance collection of 2018, featuring 6 construction kits for modern producers. Packed with bunch of inspiration, including drums, basslines, melodies, synths, fx loops and all the rest you hear in the demo.

Each kit comes with loops, shots and midi folders, for maximum flexibility in the studio. WAV files recorded at 24-bit quality, using both digital and hardware equipment. All kits are key and bpm labelled for ease of navigation.

Content is 100% royalty-free, means you can use in your own music, sell to labels, perform and collect all the royalties to yourself.

This collection was inspired by the latest sounds of huge raves around the globe and will take your productions into interesting places.
