

A new Spire soundbank for Psytrance & Progressive Psy producers is finally here!

Coming from the same team, who created our hit sample packs, but this time they decided to share some quality presets from the personal stash.

Total 50 presets, including Basslines, Arps, Atmos, Leads, FX, Plucks, SEQs, Drums and Zaps.

If you produce the genre, don't even think twice - grab this soundbank right now, it's essential.
